AMERICAN PETROLEUM INSTITUTE
OKLAHOMA CITY CHAPTER

2024 API COLLEGE UNDERGRADUATE SCHOLARSHIP APPLICATION
FOR DEPENDENT CHILDREN OF OKC CHAPTER API MEMBERS

APPLICATION REQUIREMENTS

- ❖ Parent must be a current, paid member of the Oklahoma City Chapter of the American Petroleum Institute
- ❖ Applicant must be a dependent of the API member and a current full time college undergraduate student, or graduating high school senior, in good standing planning on attending college next fall
- ❖ Attached API Application must be completely filled out with a copy of the most current transcript attached. The inclusion of a resume or CV is preferred
- ❖ Application must be received by the Scholarship Chairman no later than the application deadline or it will not be considered
- ❖ Applicants can apply yearly, however only a total of four scholarships to any one individual applicant will be allowed. API members with multiple dependents can apply for each eligible child
- ❖ All information requested and supplied is subject to verification by the Scholarship Committee

SCHOLARSHIP DETERMINATION CRITERIA
- ❖ The dollar amount and number of yearly scholarships are determined annually by a vote of the OKC Chapter Board Members. These numbers are determined by the total amount of money available each year for the Scholarship Fund. For the last few years we have given out between 8 and 18 scholarships, valued between $800.00 or $1,000.00 each.
- ❖ The factors that constitute the final determination of the Scholarship Recipients are: membership participation in all API activities (direct support of OKC Chapter activities: e.g. API Golf Tournament, monthly meetings); number of years membership in the OKC Chapter of the API; applicant GPA; other money received for college; leadership and activities; work experience; college major; the financial burden of college expenses; and special needs and situations.
- ❖ Our ability to give scholarships is directly related to our annual API Golf Tournament. All scholarship funds come from the profit from these tournaments.
- ❖ A Scholarship Committee makes the final determination of the Scholarship Recipients, and their selections are final. Applications deadline is July 26, 2024. Applicants will be notified by September 1, 2024.
